

8.406-2 Inspection and acceptance.

(a) *Supplies.* (1) Consignees shall inspect supplies at destination except when—

(i) The schedule contract indicates that mandatory source inspection is required by the schedule contracting agency; or

(ii) A schedule item is covered by a product description, and the ordering activity determines that the schedule contracting agency's inspection assistance is needed (based on the ordering volume, the complexity of the supplies, or the past performance of the supplier).

(2) When the schedule contracting agency performs the inspection, the ordering activity will provide two copies of the order specifying source inspection to the schedule contracting agency. The schedule contracting agency will notify the ordering activity of acceptance or rejection of the supplies.

(3) Material inspected at source by the schedule contracting agency, and determined to conform with the product description of the schedule, shall not be reinspected for the same purpose. The consignee shall limit inspection to kind, count, and condition on receipt.

(4) Unless otherwise provided in the schedule contract, acceptance is conclusive, except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

(b) *Services.* The ordering activity has the right to inspect all services in accordance with the contract requirements and as called for by the order. The ordering activity shall perform inspections and tests as specified in the order's quality assurance surveillance plan in a manner that will not unduly delay the work.

8.406-3 Remedies for nonconformance.

(a) If a contractor delivers a supply or service, but it does not conform to the order requirements, the ordering activity shall take appropriate action in accordance with the inspection and acceptance clause of the contract, as supplemented by the order.

(b) If the contractor fails to perform an order, or take appropriate corrective action, the ordering activity may terminate the order for cause or modify

the order to establish a new delivery date (after obtaining consideration, as appropriate). Ordering activities shall follow the procedures at 8.406-4 when terminating an order for cause.

8.406-4 Termination for cause.

(a)(1) An ordering activity contracting officer may terminate individual orders for cause. Termination for cause shall comply with FAR 12.403, and may include charging the contractor with excess costs resulting from repurchase.

(2) The schedule contracting office shall be notified of all instances where an ordering activity contracting officer has terminated for cause an individual order to a Federal Supply Schedule contractor, or if fraud is suspected.

(b) If the contractor asserts that the failure was excusable, the ordering activity contracting officer shall follow the procedures at 8.406-6, as appropriate.

(c) If the contractor is charged excess costs, the following apply:

(1) Any repurchase shall be made at as low a price as reasonable, considering the quality required by the Government, delivery requirement, and administrative expenses. Copies of all repurchase orders, except the copy furnished to the contractor or any other commercial concern, shall include the notation:

Repurchase against the account of _____
[insert contractor's name] under Order _____
[insert number] under Contract _____ [insert number].

(2) When excess costs are anticipated, the ordering activity may withhold funds due the contractor as offset security. Ordering activities shall minimize excess costs to be charged against the contractor and collect or set-off any excess costs owed.

(3) If an ordering activity is unable to collect excess repurchase costs, it shall notify the schedule contracting office after final payment to the contractor.

(i) The notice shall include the following information about the terminated order:

(A) Name and address of the contractor.

(B) Schedule, contract, and order number.
